We are **Global-istic!** So each child learns about global-inclusive cultures as a global citizen, ready to unleash the physical and cultural boundaries and is ready to take up greater challenges upfront. Our **Skills Development** wing offers multiple choices for all age groups (Ages 5-50) to improvise upon personal skills and gain greater confidence in various life-pursuits. Our Home-Schoolers get many of these benefits interwoven into the regular regime.

We are headquartered at Delhi NCR with students from all over India, the Middle East, and Canada.

The school follows National Learning Outcomes for Grade 1 to 8 with with Integrated Learning Approach under Blended Curriculum | CBSE ● ICSE ● IGCSE ● NIOS Guidelines.
